OBJECTIVES

The objective is to improve the look and feel of your lift so that it better reflects the way you want people to see your property.

A cosmetic refurbishment would usually include:

"You'll be amazed and delighted with your refurbished lift with its brand-new lift car walls, anti-slip flooring, skirtings, mirror, handrails, modern control panel and low energy lighting with emergency backup."

COLOUR SERIES

Our standard colour range offers a vast range of subtle pastel tones and vibrant statement colours with a choice of anti-slip floors at a realistic, competitive price.

"Landing doors and surrounds can also be included as part of the project to ensure your lift looks as good outside as it does inside!"

THE WRAP

Whether you want to represent corporate branding, company ethos or just a relaxing image, we can transform your lift interior into a peaceful, stimulating or breathtaking view.

SIGNATURE SERIES

Showcase the personality of your brand with an audacious statement of high-end sophistication. Our bespoke range of Signature lift interiors combine timeless elegance with your own distinctive style.

And finish off with distinctive, modern flooring. Our creative team will transform logos, motifs, patterns or even just ideas into a beautiful, individual floor, with your own bespoke colour scheme.

"Our Signature range of lift interiors are the ultimate in elegant luxury, designed with you to reflect your corporate branding in an authentic and stunning style. Talk to us about your ideas and we'll help bring them to life!"
